Opciones de juego:

### 1.-ADIVINANDO Y ESCRIBIENDO

- Se reparten las tarjetas (imagen-palabra) .
- El alumno que empieza da una definición o una pista para que el compañero la adivine .
- Si la acierta éste debe escribirla en un folio o en la pizarra...
- Si no hay faltas gana un punto.
- Se cambia el turno y se elige otra tarjeta... podemos poner un límite, por ejemplo gana el primero que consiga 5 puntos.

### 2.-LAS PAREJAS

En pequeño grupo.

Se reparten los dibujos y los rótulos.

Entre todos deben conseguir todas las parejas (asociación palabra-imagen)

Preguntamos : ¿Hay alguna palabra que cumpla la regla .....?

Ahora, pensad otro ejemplo...

### 3.-MEMORY

4.-LOTO... y cualquier otra actividad que se nos ocurra.
