Empty box for Friday with 5 vertical lines and a bundle of sticks tied with a red band

Empty box for Saturday with 5 vertical lines and a bundle of sticks tied with a red band

A grid of 11 boxes for a ten-frame activity. Each box contains a set of toothpicks: one bundle of 10 tied with a red rubber band and individual toothpicks. The boxes are arranged in three rows: the first row has 4 boxes, the second row has 4 boxes, and the third row has 1 box on the left. Each box has a white rectangular area below the toothpicks for writing.
