Castle of Snow White

This castle takes after the image of the castle of Snow White, the heroine of one of the fairy tales in the famous collection by the Grimm brothers of Germany, "The Snow White". This pretty miniature-size castle with blue peaked roof, pink walls and other pastel colors looks as if it has just jumped out of a fairy tale. Move the attached characters of Snow White, 7 dwarfs and the Prince Charming, etc. and enjoy directing the story of "The Snow White".
